

3110 04 00

Description

Accessories for Plug-ins, Coloured release button cover, white, 4 mm

LF 3000® fittings are supplied fitted with fixed black manual release buttons. Coloured release button covers help in the identification of circuits. Simply cover the black release button with a button of another colour.

5 colours are available and allow colour coding to be used throughout circuits, in association with the tubing of the same colour.
